

Mercy's Legacy

Mercy's Series Book 3

After being released from prison, DeAndre struggles to make a new life for himself and his family. But when his past shows up in the doorway of his art studio, begging for a place in his heart and life, he is forced to make decisions that will alter his life forever.

In 1868, Liberty's safety is threatened by a band of night riders and she must flee for her life. Her mother—Mercy—pleads with her to find refuge with an old family friend and Liberty's grandmother in Georgetown. What will Liberty find when she gets there? And will she find herself along the way?

READER REVIEWS

I am not exaggerating when I say *Mercy's Legacy* is one of the best books I've ever read! "

Thankful One

"I was captivated by the richness of the characters in this book. The plots of both the historical storyline and the modern-day storyline are enthralling and relatable. "

Shannon

"Great ending to a fabulous series. "

Laura

About Sarah

Sarah Hanks is a multi-award-winning author of split-time Christian fiction. She and her husband have ten children, a couple of whom seem to have inherited their mother's love for playing with words and crafting stories. Though Sarah dreams of a cabin by the beach, the family lives jammed together in beautiful chaos near St. Louis, Missouri. She buys earplugs in bulk.
