
Awakened to Life

A pro-life novel

Eve is a bold supporter of the rights of unborn children. She prays that God will awaken the Church and pour out a spirit of adoption, but she's never had an opportunity to live out these prayers. One summer morning outside an abortion clinic, she is given a chance.

Lisa is pregnant, trapped by fear and past tragedy. She plans to abort her baby—until she encounters Eve. Eve offers the unthinkable: she will adopt Lisa's unborn baby in addition to raising her own unborn son.

READER REVIEWS

"Hanks story looks abortion square in the eye and bravely tells of loss and pain and regret, but also joy and forgiveness and redemption. The characters are realistic, flawed, loving, frustrating. Awakened to Life will stick with me for a long, long time."

Priscilla Bettis

"This is an incredible story. Very well written and very believable characters. Though this was written as fiction, I believe it imitates real life. I highly recommend it."

About Sarah

Sarah Hanks is a multi-award-winning author of split-time Christian fiction. She and her husband have ten children, a couple of whom seem to have inherited their mother's love for playing with words and crafting stories. Though Sarah dreams of a cabin by the beach, the family lives jammed together in beautiful chaos near St. Louis, Missouri. She buys earplugs in bulk.
